

# TO BANK ON **TIME**

SOLUTION BY INNOVATION

**NANO**

# VALUE OF TIME

WHAT IS THE VALUE OF A SECOND TO A BANK? WHAT ABOUT A HUNDRED SECONDS? A THOUSAND? HOW MUCH DO THESE SECONDS COST TO THE CUSTOMER?

IMAGINE THAT YOU HAVE THE CAPACITY TO PROVIDE DAILY OPERATIONS TO YOUR CUSTOMERS THREE TIMES FASTER AND THEREFORE SPEND THIS VALUABLE TIME MORE PRODUCTIVELY IN CREATING PERSONAL RELATIONSHIPS. RELATIONSHIPS THAT LET YOU KNOW CUSTOMERS' NEEDS BEFORE THEY EVEN STEP INTO THE BANK.

NANO IS A NEW GENERATION BANKING SYSTEM THAT IS SPECIFICALLY DESIGNED TO MAKE BANKING PERSONAL AGAIN.

# VALUE OF USER EXPERIENCE

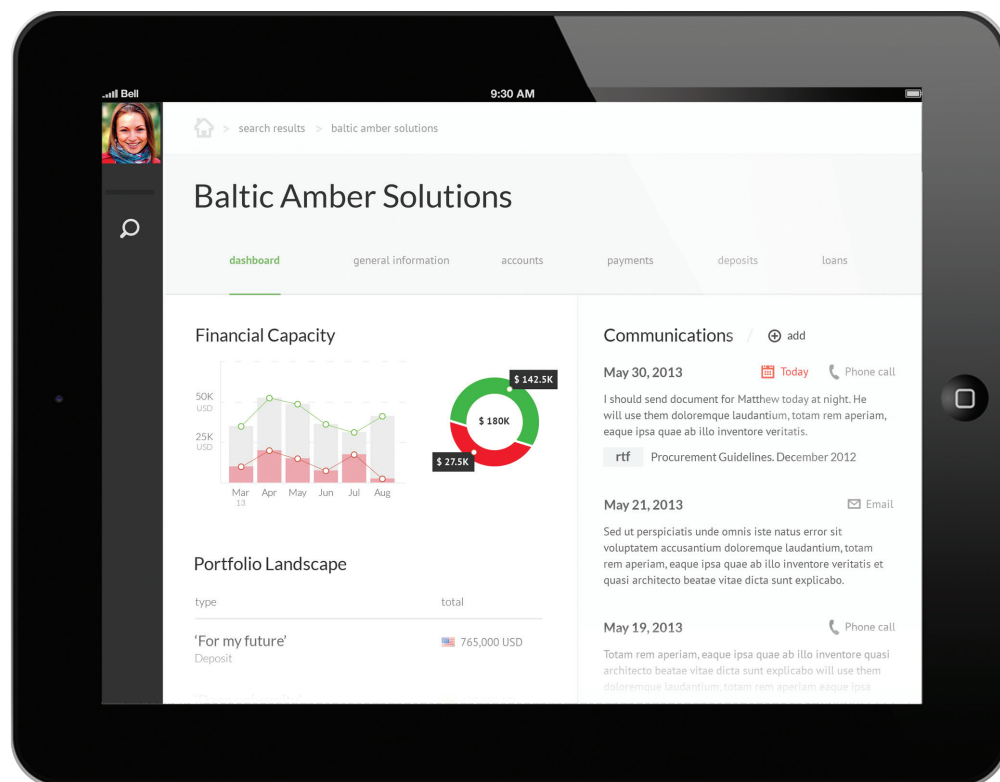

IN TODAY'S WORLD OF BANKING, SEVENTY PERCENT OF CUSTOMERS DON'T KNOW A SINGLE INDIVIDUAL IN THEIR BANK.

INTRODUCING THE CUSTOMER TO THE TELLER, NANO CAN CHANGE THIS STATUS QUO. ENHANCING THE CLIENT EXPERIENCE, OUR SYSTEM INSTANTANEOUSLY PROCESSES ALL ACCOUNT INFORMATION AND ELEGANTLY PLACES THE DATA IN A SINGLE WINDOW, ENSURING EASE OF USE FOR THE TELLER.

THE SYSTEM ASSISTS THE TELLER TO KNOW THE CUSTOMER AND ALLOWS THE PERSONALIZATION OF PRODUCTS, SERVICES AND OFFERS. THE KIND OF "KNOW" THAT DEFINES AND BUILDS A RELATIONSHIP.

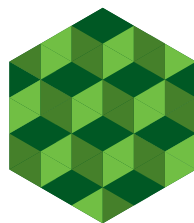

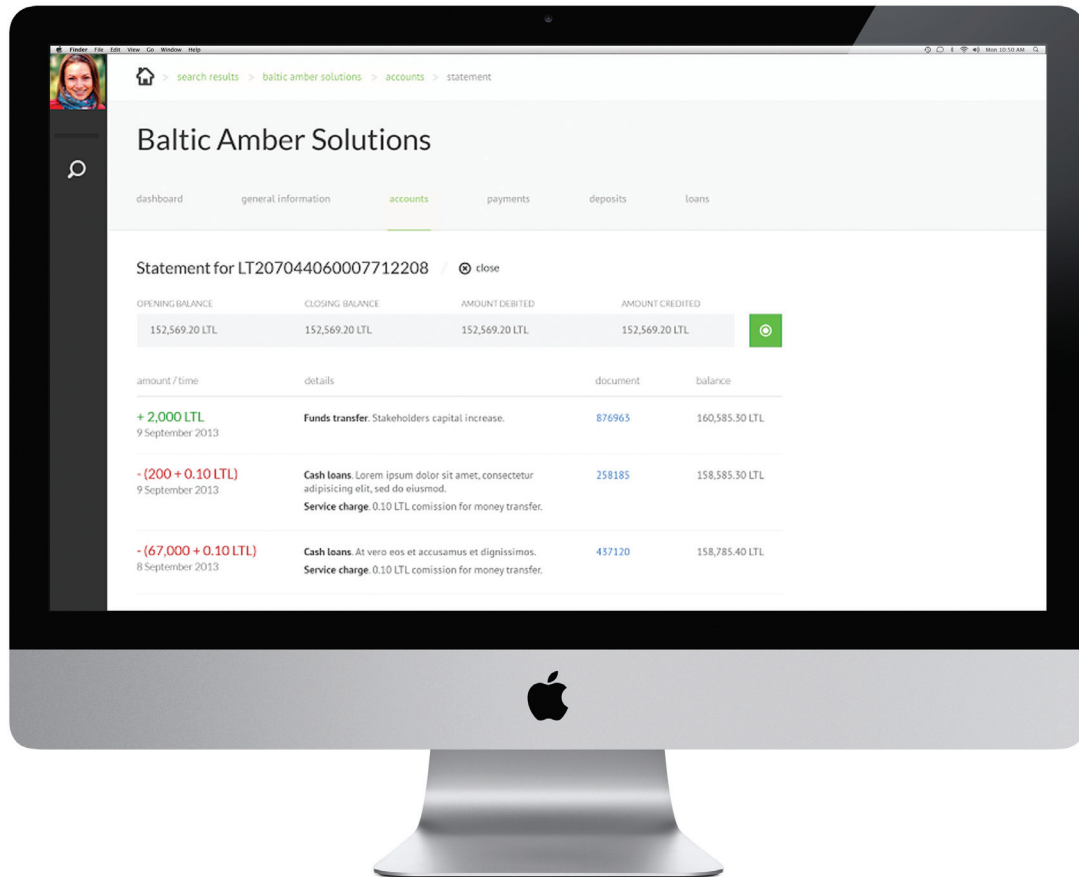

THIS IS WHAT WE CALL CONTEXT AWARENESS. INTUITIVE, CONVENIENT AND FAST, YET EASY TO MASTER WITHIN JUST FEW HOURS OF USE, NANO'S MODERN INTERFACE IS ALSO SIMPLY TAILORED FOR TOUCHSCREEN DEVICES.

THROUGH NANO, WE FOCUS ON THE CLIENT, MAKE THE BANKING EXPERIENCE PERSONAL AGAIN AND PROVIDE YOU WITH NEXT GENERATION OF TOOLS TO BOOST YOUR BUSINESS. THE VALUE OF TIME HAS NEVER BEEN MORE IMPORTANT.

WE ARE BANKING SOFTWARE DEVELOPMENT PROFESSIONALS. USING THE LATEST TECHNOLOGIES AND INNOVATIONS WE DEVELOP MODERN, EFFECTIVE AND RELIABLE SOLUTIONS FOR BANKS AND FINANCIAL INSTITUTIONS.
